Please join us in welcoming SORTA/Metro's CEO, Dwight Ferrell, for a lunch meeting on April 4. Mr. Ferrell will provide an update on the organization's strategic plan and opportunities for the consultant community to do business with SORTA/Metro.

Metro is Southwest Ohio's fixed-route bus service, which serves Hamilton County residents in addition to providing commuter routes from Clermont, Butler and Warren counties into Cincinnati. Metro is a non-profit, tax-funded public service of the Southwest Ohio Regional Transit Authority (SORTA) providing about 15 million rides per year in the Greater Cincinnati Area. Visit their website at www.go-metro.com.

Mr. Ferrell is a recognized leader in the transit industry. He most recently served as the County Manager of Fulton County, Georgia where he led more than 5,000 employees in the management of activities and operations of county departments. In addition, Ferrell developed recommended and administered the county's state and federal legislative agenda. For four years, he served as Deputy General Manager and Chief Operating Officer of the Metropolitan Atlanta Rapid Transit Authority (MARTA) managing day-to-day operations for the ninth largest transit system in the United States.
