## June 6, 2018 Meeting Announcement

Where: The Phoenix, 812 Race Street, Cincinnati  
When: 11:30-12:00pm—Registration & Networking  
12:00pm Lunch and Program

Please join us in welcoming the Greater Cincinnati Redevelopment Authority's Julie Banner and Tom Leibham, for a lunch meeting on June 6. Mr. Leibham and Ms.

Banner will provide an update on the organization's strategic plan and opportunities for the consultant community to do business with the Greater Cincinnati Redevelopment Authority.

In 2015, the Redevelopment Authority Board of Directors set a bold direction for the organization with Vision 2022, a multi-faceted strategy to drive economic growth, job creation, social stability, and shared prosperity, for all residents. The strategic initiative champions key social, community, and economic priorities for the region by combining neighborhood revitalization with the repurposing of hundreds of acres of currently non-productive, urban industrial property to facilitate job creation. Visit their website at [www.cincinnatiport.org](http://www.cincinnatiport.org).

Julie works on both real estate development and public financing projects. Her educational background in civil engineering and business administration makes her a valuable member of project teams at the Redevelopment Authority.

Tom manages due diligence, demolition, remediation, and site work for the portfolio of Redevelopment Authority properties acquired and assembled to support the creation of new job-ready sites attractive to advanced manufacturing operations.

Please email Andy Shahan, [ashahan@LJBinc.com](mailto:ashahan@LJBinc.com), with your reservations by **noon on Friday, June 1, 2018**. Late reservations are not guaranteed, so make your reservations now. We look forward to seeing you there.

The cost for non-member firms is \$75 payable to ACECO Southwest Chapter **at the meeting**. Southwest Chapter member firms will be invoiced for the actual cost of the meal.
