

December 10, 2018

Dear Friend,

Each year in Central Ohio, we celebrate the work of Professional Engineers by observing National Engineers Week, a celebration dedicated to ensuring a diverse and well-educated future engineering workforce. In 2019, the annual Engineers Week Luncheon will be held on **Thursday February 21st, 2019** at Bridgewater Conference Center.

The professional organizations coordinating the Central Ohio Engineers Week Luncheon need your help. A sponsorship from you will help to cover the cost of the luncheon, which will enable select high school and college students interested in engineering to attend the event at no charge. As a supporter of the engineering profession, your sponsorship donation will help make Central Ohio Engineers Week Luncheon a great success!

Advancing Women in Transportation
Columbus Chapter
