

ACEC Ohio

Political Action Committee

2024 PAC Report

A Letter from Our PAC Chair Dave Krock, OHM Advisors

A BIG thank you to all ACEC Ohio member firms who supported our PAC program in 2024. We were blessed to receive donations from over 220 individuals within our member firms. ACEC Ohio also exceeded our ACEC National goal for the ninth straight year – an impressive winning streak! I sincerely appreciate your generosity in supporting the business of engineering.

The strength of our PAC is foundational to our advocacy efforts. ACEC Ohio works closely with legislators in Columbus to make them aware of the importance of the engineering industry and alert them to legislative provisions that could positively or negatively affect our businesses.

In a typical year, ACEC Ohio PAC Trustees meet for dinner with the Ohio House and Senate leadership teams to further understand legislative priorities and share specific concerns from the engineering

industry. 2024 however, was not a “typical” year politically in Columbus..... leadership complexities in the House and Senate led us to make the prudent decision to pause and re-group in 2025. With the clarity of the 2024 election cycle behind us and leadership teams in-place, we are now planning dinners with House and Senate leadership in Q1 of 2025.

It is an honor to voluntarily serve ACEC Ohio, an organization that truly supports all our businesses. A special thanks to the PAC Trustees, ACEC Ohio staff, and all our member firms for your continued support. I strongly encourage your continued support of the PAC in 2025!

Thank you,
Dave Krock, PE
ACEC Ohio PAC Chair

January 12, 2024 · PAC Appreciation lunch. Thank you to Kevin Futryk with Government Advantage Group and Matt Reiffer with ACEC National for sharing legislative updates at the state and federal level.
