

## Celebrating Innovation: Highlights from the 2025 Engineering Excellence Awards

ACEC Ohio marked 25 years of excellence on February 27 at the 2024 Engineering Excellence Awards. With over 210 attendees, the event featured insights from Diana Rife, Director of Sites at JobsOhio, and an exciting countdown of 25 outstanding projects, culminating in the Grand Award winner—led by our emcee, Meteorologist Marshall McPeck.

Congrats to Stantec for being recognized as the 2025 Grand Award winner for King Avenue/Grandin Road Bridge Replacement project! Click [HERE](#) to see the Grand Award Winner project video!

Congratulations to our **sixth** class of Rising Leader Graduates!
