

Submit Your 2025 Engineering Excellence Awards Projects

The 2025 Engineering Excellence Awards submission deadline to submit is **Thursday, November 7, 2024.**

Here are the top reasons to submit your project:

- **Gain Recognition:** Celebrate your achievement at the ACEC Ohio Annual Engineering Excellence Awards Luncheon in February 2025. We will announce the venue soon.
- **Enhanced Visibility:** Your firm's award will be prominently featured on our website, in our newsletter, and across our social media platforms.
- **Boost Your Proposals:** Highlight your project as an "ACEC Ohio EEA Winner" to enhance your future proposals.

It's not too late to fill out our "Intent to Submit" online form. The form will take less than five minutes. The form is for planning purposes only; it does not commit your firm to enter.

Click [here](#) to fill out the intent to submit form.

You can find the 2025 EEA Call for Entries [HERE](#). As you review your recently completed projects, please consider entering at least one of them in the competition. Projects substantially completed and ready for use between **November 1, 2022, and October 31, 2024**, are eligible for entry.

Don't forget ACEC Ohio offers our members a discounted rate for printing your foam boards through Hopkins Printing. If you're interested in using this service, please reach out to Rachel Vogel at 614-324-4286 or via email at rvogel@hopkinsprinting.com. Rates include shipping to ACEC Ohio offices. Ideally, Hopkins would like to have your artwork by **October 25, 2024**.

ONLINE SUBMISSION PORTAL

All projects will be submitted through an online portal. The portal allows you to work on an entry over time.

Click [here](#) to view our EEA resources page.

The deadline isn't until **November 7, 2024**, but you'll want to start working on your entry now.

If you have any questions about submitting your entry, please contact Haley Phillippi at (614) 487-8844 or haley.phillippi@acecoho.org.
