

Workforce Development Roadshow

The ACEC Ohio Workforce Development Committee will host all ACEC Ohio Chapters for a **Virtual Workforce Development Roadshow** on **Thursday, November 13** from 11:30 AM to 1:00 PM.

During the event, representatives from our four partner organizations will share how ACEC Ohio members can get ***involved*** and ***volunteer*** to foster talent and inspire the next generation of engineers. The presentation will be interactive featuring breakout rooms for small group discussions and the opportunity for Q&A.

The ACEC Ohio Workforce Development Committee proudly partners with four organizations dedicated to children and young adults passionate about the engineering industry.

Speakers:

- **Future City**
- **NAWIC Block Kids**
- **The Ohio Academy of Science**
- **Educational Service Center of Central Ohio**

This virtual will take the place of all ACEC Ohio Chapter lunch meetings for November. Click [here](#) to check out our workforce development resource page.

****This event is free to attend.****

Don't miss your chance to be part of the conversation and help share the future of engineering!
